

K-Love is a wonderful service to this community by providing an uplifting message along with up to date news and information. It's a station that you don't have to worry about what children may hear. I know many families, including my own, that would be very dissapointed if K-Love were replaced by other programming. There are already plenty of commercial stations in the area providing other programming that I don't care to listen to due to what used to be considered foul language. I believe the service provided by K-Love is in the public interest because it allows people to hear positive and encouraging music and messages with the moral values this country was founded on, instead of music which glorifies Crime and Violence.
